THE WEATHER

Vocabulary Intermediate 02 | The Weather

1. Answer the questions with words you have learned in the episode.

- A. Which adjective could you use to describe something that is wet, but not very wet? _____
- B. Which adjective would you use before 'summer' to refer to the end part of it? _____
- C. Which verb means the temperature has gone up and there is no longer frost or ice? _____
- D. Which word can be used to describe something that happens in the day? _____
- E. What happens to ice cream on a very hot day? _____
- F. If you see a thin, white covering on everything on a cold day, what is it? _____
- G. If you can't see things in the distance, what is the weather probably like? _____
- H. Which two adjectives could you use to describe a wind that blows very hard? _____
- I. Which adjective can you use to describe very bad weather? _____

2. Rewrite the words in bold using the words you learned in the episode.

I think it would be interesting to live in a **hot** (A) _____ climate. However, I don't like weather **that is hot and damp and makes you sweat** (B) _____.

I even dislike the days **that are slightly warm and damp** (C) _____ which we get in the UK. Some people love **extremely** (D) _____ hot days, and I don't mind **very hot, dry periods** (E) _____ occasionally, but when it's **hot and uncomfortable and you can hardly breathe** (F) _____, it's just impossible. Maybe I should stay at home and forget about moving to a hot climate!

3. What kinds of weather do you think caused the following to happen? Write a sentence which could go before each using the words you learned in the episode.

- A. We had to use the air-conditioning every afternoon. _____
- B. The sweat was pouring out of us. _____
- C. it just cooled us nicely on the hot beach. _____
- D. Cars were sliding everywhere out of control. _____
- E. The postman had to use a boat to get around. _____
- F. You couldn't really see the trees in the distance. _____
- G. The earth became rock hard and a lot of plants died. _____
- H. It blew the newspaper right out of my hands. _____
- I. My hair and clothes got soaking wet. _____
- J. It looked as if it would rain at any minute. _____
