

The Forgotten Contributions of the American Indigenous Peoples

Across

1. The art of dealing with people in a sensitive and effective manner, especially in politics and international relations.
4. Settle comfortably in a safe place.
5. Green with grass or other rich vegetation.
11. Spread or filter gradually through something or become apparent gradually.
12. Written or spoken communication or expression.
13. A group of three powerful or notable people or things existing in relation to each other.
14. Having knowledge of events before they happen; foresight.
15. A strong, coarse unbleached cloth used as a surface for paintings or as a reference to the background, setting, or scope of something.

Down

2. A space of partial illumination or an area where something exists to a lesser or uncertain degree.
3. A league or alliance of states or tribes.
6. A thick woven fabric, usually with pictures or designs, used as a wall hanging, decoration, or in reference to an intricate or complex combination of factors or events.
7. People who look after or are responsible for something, especially in the context of management or organization.
8. All the gods of a people or religion, or a group of people who are most admired or important in a particular context.
9. Evoking a keen sense of sadness or regret.
10. Emitting or reflecting light; shining.
