## Consciousness

Using the Across and Down clues, write the correct words in the numbered grid below.

## ACROSS

- 1. It's when you can step into someone else's shoes, feel what they feel, and understand their world from the inside. It's more than sympathy; it's connection.
- Imagine savoring every bite of a delicious meal or every note of a beautiful song. It's the art of deeply valuing and being thankful for what is present in your life.
- 8. It's the bright light of awareness that lets you experience life. It's the 'you' that's reading this right now, the observer behind your thoughts and feelings.
- 10. These are the delicate, complex details that might escape a casual glance but are essential to truly understanding something deeply and completely.

## DOWN

- 1. It's when you can step into someone else's shoes, feel what they feel, and understand their world from the inside. It's more than sympathy; it's connection.
- Imagine savoring every bite of a delicious meal or every note of a beautiful song. It's the art of deeply valuing and being thankful for what is present in your life.
- İt's the bright light of awareness that lets you experience life. It's the 'you' that's reading this right now, the observer behind your thoughts and feelings.
- 10. These are the delicate, complex details that might escape a casual glance but are essential to truly understanding something deeply and completely.

- 11. Picture rising above and beyond the ordinary limits, soaring to a higher level. It's going beyond the usual restrictions to reach something greater.
- Picture rising above and beyond the ordinary limits, soaring to a higher level. It's going beyond the usual restrictions to reach something greater.
- 14. Imagine something so delicate and tender that it could break or be harmed with the slightest touch. It's the exquisite vulnerability that reminds us to handle with care.
- 11. Picture rising above and beyond the ordinary limits, soaring to a higher level. It's going beyond the usual restrictions to reach something greater.
- Picture rising above and beyond the ordinary limits, soaring to a higher level. It's going beyond the usual restrictions to reach something greater.
- 14. Imagine something so delicate and tender that it could break or be harmed with the slightest touch. It's the exquisite vulnerability that reminds us to handle with care.

For each question below a number of similar words appear, but only one is spelled correctly and matches the clue that is provided. Write the letter of the correctly spelled word in the space by the question number.
